Project Start

Andrew Egan

Theme/Atmosphere: Spun Theme (Randomly Chosen): "Silent Library" - A stealth-puzzle game challenges players to navigate a library where noise awakens ancient guardians. Perfect for a solo dev using minimal assets and strong sound design.

Initial Planning

- Environment - Unity/VSC/C#
  - 2D Top-Down - WASD
- Stealth Puzzle Game, Set in Ancient Atmosphere with 21st Century Player Model (Jumanji Style)
  - Ancient Guardians are Guarding Shards
  - 5 Levels with 5 Shards to Collect
- Unique Mechanic - Stratergy Through Trap Setting, The Only Way To Disable Guardians
  - Non-Combat TD 2D Stealth-Puzzler

Andrew Egan
